

MY FAVORITE PLACE TO BE...

In a forest where the monkeys play
In a desert very hot all day
In the ocean where whales survey
On the mountain where the snow caps lay
Up in the air just a breeze away
I learned geography today!
Summer School is fun! HOORAY!

Our World Outdoors

Clement Summer School
June 22 - July 29, 2009
Registration: March 31-June 3, 2009

This summer Clement School offers two programs:
Our World Outdoors and ***Academic Accent***.

OUR WORLD OUTDOORS
3 week sessions (A or B)
6 week session (C)

This program's focus is science. Science projects, outdoor activities, and games will encourage students to enjoy learning about climate and habitats.

We'll pretend to dive deep into the ocean and explore what lies beneath.

We'll imagine we are hiking on a mountain and explore the cliffs and caves.

We'll make believe we peek through the forest and hear the birds sing in chorus.

We'll act as if we're walking through the desert to examine each dry inch.

We'll picture the leaves blowing in the breeze and learn why we need air.

We'll enjoy and care for our world outdoors!

ACADEMIC ACCENT
6 week session only

This program's focus is an academic boost for students who will attend kindergarten in fall 2009. Our program will reinforce basic skills to assure kindergarten readiness.
